

Same System. Wildly Different Gaps.

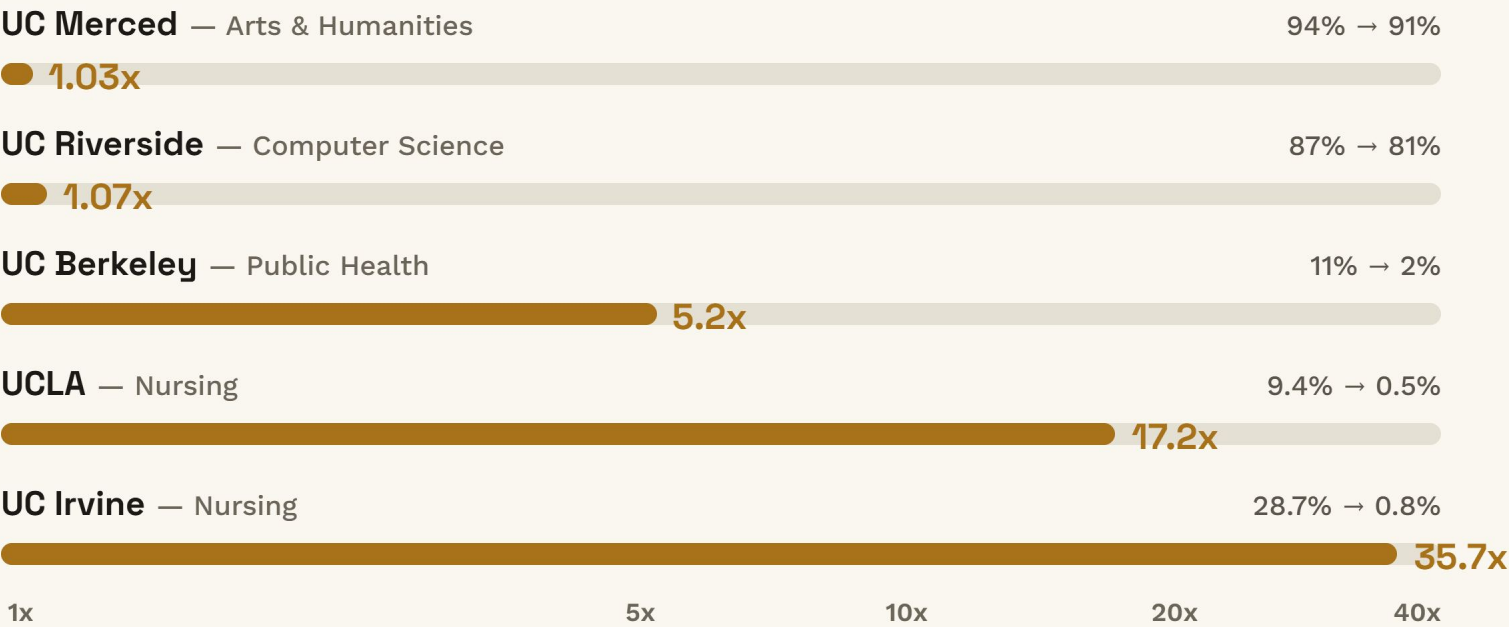

Every UC campus publishes the same admit-rate-by-major data. At some campuses, a competitive major is barely harder than the campus average. At others, it's a completely different game.

35.7x

UC IRVINE • NURSING

harder to get into than Irvine's own
28.7% overall admit rate — the widest
major-specific gap found in the UC
system

MAJOR PENALTY, BY CAMPUS

Ratios calculated from each campus's real applicant and admit counts, not rounded headline percentages — rounded math can understate the true gap by nearly half.
